ABOUT US

Established in 1965, "Jainson" stands as a distinguished Pan-India brand dedicated to delivering superior security solutions. Renowned for its commitment to innovation, quality, and value for money, Jainson has consistently met customer satisfaction through exceptional service, advanced technology, and skilled craftsmanship.

For over 60 years, Jainson has been at the forefront of providing security and peace of mind to homeowners and businesses alike. Our legacy is built on understanding the intrinsic human need for both freedom and security. We believe that a secure home is the foundation of a peaceful life.

Recognizing the importance of aesthetics in security, we craft locks that are not only sturdy and reliable but also elegantly designed to complement the beauty of your spaces. Our commitment to excellence is reflected in our investment in state-of-the-art technology and a team of skilled professionals dedicated to producing the finest quality locks.

OUR COMMITMENT TO QUALITY

At the core of our philosophy lies an unwavering commitment to consistent quality—across our products, systems, and services. We believe it is the foundation for our customers' satisfaction and long-term success.

Every product undergoes rigorous quality checks before it reaches the market. Our standardized Quality Control Policy includes a comprehensive range of tests such as Cycle Testing, Salt Spray Testing, Adhesive Testing, and Acetone Testing, ensuring we deliver only high-performance, reliable, and durable products.

Quality isn't just a standard—it's a promise we uphold in everything we do. Thus, all our products carry a warranty against manufacturing defects ranging from 1 to 15 years.
